EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert Earp on January 22, 2007.

The application has been amended as follows:

1. A display insert for a tire, said display insert comprising: a front panel section having at least one edge;

a back panel section connected to said front panel section, said back panel section comprising a plurality of tabs each having at least one edge, wherein the edges of at least two of said tabs are aligned and tangential with the edge of said front panel between the at least two tabs; and

wherein said tabs are capable of engaging the tire to hold said front panel in a predetermined position substantially covering an opening of the tire.

20. A display insert for a tire comprising: a front panel having an edge;

a back panel connected to said front panel, said back panel having a plurality of flexible tabs, each having at least one edge, wherein the edges of at least two of said tabs are aligned and tangential with the edge of said front panel between the at least two tabs; and

wherein said tabs are capable of being inserted into the tire to provide a biasing force to said tire to hold said front panel in a predetermined position.

22. A display insert for a tire comprising: a front panel having an edge;
a back panel connected to said front panel, said back panel having a plurality of flexible tabs, each having at least one edge, wherein the edges of at least two of said tabs are aligned and tangential with the edge of said front panel between the at least two tabs; and

wherein said back panel does not require an interlocking structure to secure said back panel within the tire.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Cassandra Davis whose telephone number is 571-272-6642. The examiner can normally be reached on Monday-Friday 8:00-4:30.
